HOPPE
La maniglia che arreda.

SecuSan®

SecuSan®:
il nuovo standard dell'igiene
Clinicamente testato

SecuSan® è una superficie antimicrobica per le maniglie e le martelline HOPPE. La sua elevata sicurezza igienica è stata dimostrata nel corso di test pratici e di laboratorio indipendenti.

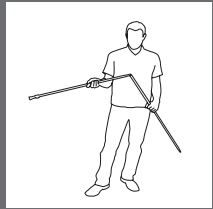

Maniglie e martelline DK SecuSan®

- efficaci da subito contro i germi
- azione preventiva
- resistenti a lungo all'usura
